Environmental Protection Act 1990
Section 37

WALSALL METROPOLITAN BOROUGH COUNCIL

Notice of Modification of Waste Management Licence Conditions

To: Leigh Interests plc
Dunston Hall
Dunston
Stafford
ST18 9AB

WHEREAS on 23rd December 1983, the West Midlands County Council granted a disposal licence relating to land at Empire Works, Stubbers Green Lane, Aldridge, Walsall, West Midlands subject to the conditions set out therein, as subsequently amended on 6th March 1986, and subsequently modified on 16th August 1991, 28th October 1991 and 31st January 1992

AND WHEREAS the Licence Holder appealed to the Secretary of State against the Authority's decision to modify the licence on 16th August 1991

NOTICE IS HEREBY GIVEN that in order to give effect to the Secretary of State's determination of the appeal under Section 43(1) of the Environmental Protection Act 1990, Walsall Metropolitan Borough Council modifies the said conditions as follows :-

Delete condition 23 from the original licence and all the conditions set out in the Notice of Modification No 2 issued on 16th August 1991 and add conditions 43, 44, 45, 46, 47 attached to this notice.

Such modification shall take place on Friday 1st March 1996 at noon.

Dated this 23rd day of February 1996

Signed .....
Service Co-ordinator, Environmental Health and Consumer Services.

ii) Where two calendar months after being informed of the proposed change, the WRA has not objected in writing to the proposed change, setting out its reasons for the objection.

46 Within 9 months of the date of effect of this modification a full risk assessment shall be carried out by independent consultants agreed by the WRA. The risk assessment shall incorporate Hazop and Hazan, or equivalent, procedures and a copy shall be provided to the WRA on completion.

47. Vessels, pumps and other equipment shall be cleaned out, drained, or purged prior to introducing wastes or other materials that may react with wastes or residues already contained in such equipment.
