Answer Sheet

Recycle Right Bin Sort

Check this list to see if you have placed all your cards correctly and recycled right.

Remember, some things can have more than one placement. An example could be a wooden bed frame. If it was in good condition you could donate to a charity that takes bulky furniture but if it was broken it could go in the wood and timber skip at the Household Waste Recycling Centre.

Mixed Recycling Bin Halton - Blue Knowsley - Grey Liverpool - Blue Sefton - Brown Wirral - Grey	Aluminium drinks can Birthday card Bleach bottle Cardboard box Cardboard egg box Cereal box Envelope Food tin Glass beer bottle Glass jar Liquid soap bottle Magazine Paper Paper bag Perfume bottle Plastic milk bottle Plastic pop bottle Shampoo bottle Toilet roll tubes	Pyrex glass jar & Drinking glass - these are made of glass that melts at different temperatures and will contaminate the recycling. Plastic tubs pots or trays - these are the wrong type of plastic. Unwashed food tins and glass jars - food will contaminate the paper & cardboard which then can't be recycled. Please wash out your recycling.
Garden Waste Bin	Plant cuttings Grass	Food waste - this is not suitable for the composting process. Plastic bags - these will not rot down.
General Waste Bin	Aerosol can Cat food pouch Drinking straws Foil tray Food waste Kitchen roll Margarine tub Pizza box Plastic carrier bag Plastic chocolate tub Pyrex glass jug Ready meal packaging Shredded paper Sweet wrappers Toothpaste tube Yoghurt pot	Batteries Clothes & Textiles Electrical Items
