

Go Green for Halloween Egg Box Bats

What You Will Need:

Empty cardboard egg boxes

Poster Paint (orange, green or black)
PVA Glue or glue stick

Googly Eyes or buttons
String, ribbon or wool

*Paint and PVA Glue can mark clothes.
Use scissors with caution.*

What To Do:

1. Using scissors, carefully cut the egg box into sections of 3 cups.
2. Cut out two triangles on both of the end cups to create wings.
3. Pierce a hole in the top of the bat (this will be for the string)
4. Paint the inside and outside of your bat black and leave to dry.
5. Add your googly eyes.
6. Thread and knot the string or ribbon and hang your bats up.
