

# Rot Away - Worksheet

The gardening waste you put in your compost bin decomposes at different rates. Use the Rot Away clue cards and then fill in the timeline below. Use the word key to help.

- |          |                 |                 |
|----------|-----------------|-----------------|
| Tea bags | Hedge clippings | Potato peelings |
| Grass    | Cardboard       | Autumn leaves   |
| Thistles | Tree branches   | Young weeds     |
|          | Nettles         |                 |
