

Congratulations to Freddie and Charlie, our winners of the Letter to Father Christmas competition!

Dear Father Christmas,

At Christmas time it would be a
sin to put ANY rubbish in a bin.

Check your waste

Don't bin in haste

Just recycle every tin

and your cans go in the bin

please no glitter or any tissue

and then you won't have a
recycling issue

Santa will be pleased to see
that you recycle just like me.

Charlie, age 9

PS I recycled a t-shirt into a bag

Dear Father Christmas,

Christmas bottles made
of plastic

all recycled - that's fantastic!

Wash your tubs, cans and tins,

Before you put them in the bins

No plastic bags,
hear Santa cheer

or pouches from his 9 reindeer

Be a recycling for
Nottinghamshire Christmas Star

Sing recycling from afar

Freddie, age 9

PS. I made a bag from a T-shirt
in School.
