

Waste and Recycling

MATCH THE WORD

The Waste Warriors challenge you to match up the words to the pictures and meanings

Waste

Cutting down or not using as much

Landfill

Something thrown away and no longer wanted

Recycling

Making brand new items from waste

Litter

Waste that is thrown on the ground by people

Reducing

Finding another use for an unwanted item

Composting

Garden waste, fruit and veg becoming something that can be used in the garden

Reusing

A hole in the ground where waste is buried
