

Crisp packet

You enjoy a packet of crisps at break time.

Crisp packet

You put the
crisp packet in
the rubbish bin.

Crisp packet

The refuse collectors put it in a special lorry.

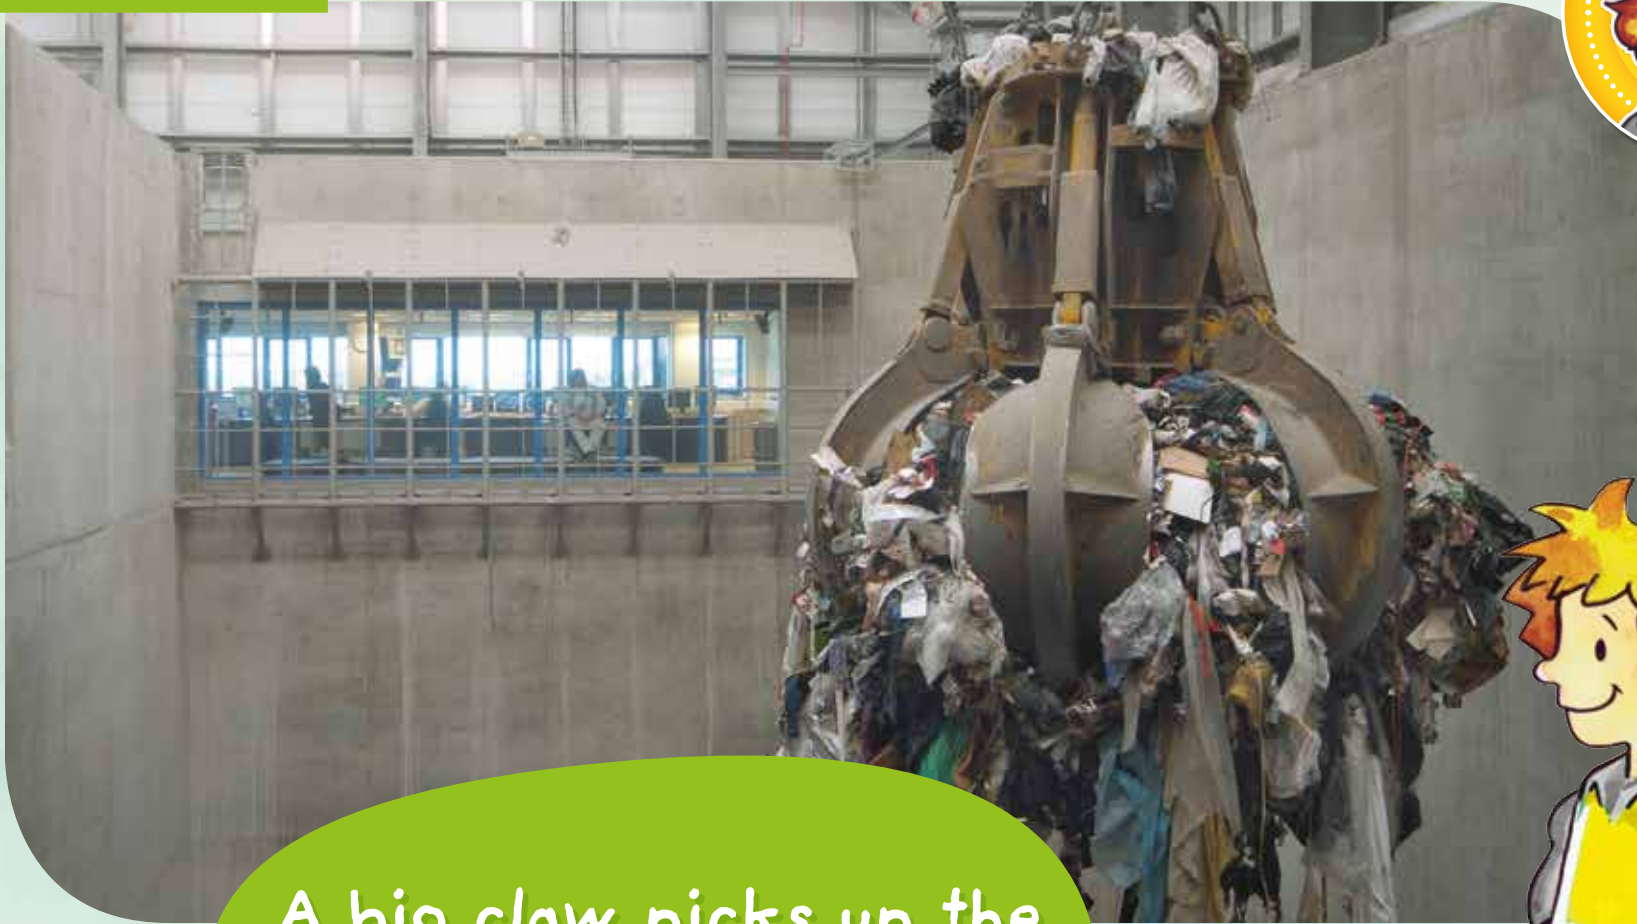

Crisp packet

The crisp packet is now off to an Energy Recovery Facility where it is put into a big bunker.

Crisp packet

A big claw picks up the rubbish and puts it into a special oven called a furnace.

Crisp packet

Burning rubbish in our furnace makes energy that we turn into electricity.

Crisp packet

You can use the electricity to power the TV and lights in your house.
