# S185 Application

.....  
For The Diversion of Veolia Water Projects Assets

April 2020

## Application For Water Or Sewer Diversion

This form should be used to apply for the diversion of Veolia Water Projects (VWP) assets, in accordance with S185 of the Water Industry Act 1991 (as amended). Failure to provide all the required information will mean that we are unable to process your application.

### A. Applicant details:

Name: \_\_\_\_\_ Contact Name: \_\_\_\_\_  
(Company name if appropriate) (If different)

Address: \_\_\_\_\_

Postcode: \_\_\_\_\_

#### Contact details:

Phone: \_\_\_\_\_ Mobile: \_\_\_\_\_

Fax no: \_\_\_\_\_ Email: \_\_\_\_\_

### B. Site Details (location of apparatus to be diverted):

Site / project name: \_\_\_\_\_

Site address: \_\_\_\_\_

Postcode: \_\_\_\_\_

#### Reason for Diversion:

---

---

---

---

### C. Developer / Contractor Details:

Name: \_\_\_\_\_ Contact Name: \_\_\_\_\_  
(Company name if appropriate) (If different)

Address: \_\_\_\_\_

Postcode: \_\_\_\_\_

#### Contact details:

Phone: \_\_\_\_\_ Mobile: \_\_\_\_\_

## Application For Water Or Sewer Diversion

### D. Owner's Details :

(On whose behalf work is to be carried out if different from above)

Name: \_\_\_\_\_ Contact Name: \_\_\_\_\_  
(Company name if appropriate) (If different)

Address: \_\_\_\_\_  
\_\_\_\_\_  
Postcode: \_\_\_\_\_

### Contact details:

Phone: \_\_\_\_\_ Mobile: \_\_\_\_\_

### E. Former Use of Land:

If the diverted asset (in whole or part) will be within your development site, please indicate the current or former land use:

\_\_\_\_\_  
\_\_\_\_\_

### F. Tree Details:

Are there any trees on your development site, which are on the route of the proposed diversion and are either:

- |   |                          |     |                          |    |
|---|--------------------------|-----|--------------------------|----|
| a. To remain                                  | <input type="checkbox"/> | Yes | <input type="checkbox"/> | No |
| b. Subject to a Tree Preservation Order (TPO) | <input type="checkbox"/> | Yes | <input type="checkbox"/> | No |

If 'Yes', please show the location of the tree(s) on a suitable plan

### G. Easement Strip:

If all or part of the diverted pipe(s) will be routed through private land (not footpaths or roads) Veolia Water Projects will require an easement strip. Please confirm what size strip has been allowed.

\_\_\_\_\_

### H. The Construction Design and Management Regulation 2007:

Please provide relevant detail to form pre-construction information, especially in relation to hazards and risks associated with the site.

# Application For Water Or Sewer Diversion

## WATER MAIN DIVERSION ONLY

### I. Contaminated Land Check – Site History Questionnaire

Veolia Water Projects Ltd need to assess whether there is a risk of contaminants in the ground permeating through any proposed water pipes, as this in turn could result in contamination of the drinking water supply. This section is designed to enable us to assess that risk. Where contamination does exist, VWP will specify the use of high specification pipework material. Any private pipework will also need to be of a similar specification.

Have you commissioned a soils analysis, which includes a contamination report?

☐

Yes

☐

No

If 'Yes', you do not need to complete Sections '1' and '2' provided you attach the following;

- A copy of the contamination test data showing details of contamination concentrations (a general summary will not be sufficient)
- A plan showing the position where each core sample was taken.

Please note, the Water Industry require samples to be taken to a depth of 1m and will be analysing the results in accordance with threshold levels recommended by WRAS. The WRAS threshold table found in their Guidance Notes No. 9-04-03, can be viewed via the following link: [www.wras.co.uk](http://www.wras.co.uk)

### 1. Former Land Use

Please provide a tick against any of the following purposes for which the site or an adjacent site has previously been used:

Petrol filling station	<input type="checkbox"/>	Other fuel storage	<input type="checkbox"/>	Chemical works / storage	<input type="checkbox"/>
Landfill site	<input type="checkbox"/>	Motor mechanics	<input type="checkbox"/>	Coal yard	<input type="checkbox"/>
Burial ground	<input type="checkbox"/>	Tannery	<input type="checkbox"/>	Docks or boat yard	<input type="checkbox"/>
Scrap yard	<input type="checkbox"/>	Military camp	<input type="checkbox"/>	Vehicle parking area	<input type="checkbox"/>

### 2. Former Site Activities

Please tick to indicate if any of the following activities / incidents has happened on the site:

☐

Home motor mechanics

☐

Fuel spillage  
(e.g. central heating oil, kerosene)

☐

Fly tipping

### 3. Visual Site Inspection

A visual inspection of the site for any obvious signs of contamination shows the following:

☐

No obvious signs of contamination

☐

Evidence of possible contamination

### 4. Summary of Site History

Please provide brief details of the site history over the past 100 years, unless already provided in a soils report. (Old ordnance survey plans are acceptable evidence of land use where first hand knowledge or other evidence is not available).

### 5. Checklist and Declaration

I hereby confirm that I have completed this questionnaire to the best of my ability and that every attempt has been made to ensure that the information provided is accurate:

Signature: \_\_\_\_\_ Full Name: \_\_\_\_\_

Date: \_\_\_\_\_ Position: \_\_\_\_\_

# Application For Water Or Sewer Diversion

## J. Declaration and Check List:

Please do not send any payment with this application as you will be notified of costs in due course

You will be required to provide CAD drawing files (DWG or similar) of your proposed site layout to enable the production of the necessary diversionary plans. These can be provided via e-mail or on a compact disc.

### Checklist and Declaration;

☐

Site Location Plan (1:1250)

☐

Two unmarked copies of your site layout plan

☐

A drainage / water main layout plan (where applicable) to a scale of not less than 1:500 showing:

- Site boundary clearly marked in green
- Clearly defined plot boundaries
- Location of pipe(s) to be diverted and your suggested route for the diverted sewer/water main
- Layout of any foul and surface water sewers to be offered for adoption under a Section 104 Agreement, or water mains to be adopted under a S51 Agreement.

☐

Plans showing the status and location of the trees (as requested above)

☐

Risk and hazard information

### Please Note:

- Failure to complete this application in full and provide relevant information will result in the application being delayed or returned.
- This application DOES NOT mean approval has been granted.
- No work should commence until written approval has been given by Veolia Water Projects Ltd.

I/We hereby request diversion of VWP asset(s) under Section 185 of the Water Industry Act 1991 at the new development site detailed on this form and edged green on the attached site location plan.

I/We undertake to pay VWP reasonable costs incurred in implementing the diversion scheme.

I /We have read the guidance notes issued with this application.

Please note, by signing this application you are not automatically granted technical approval or guaranteed adoption.

I confirm that to the best of my knowledge, the information I have supplied is complete and correct.

Signature: \_\_\_\_\_ Full Name: \_\_\_\_\_

Date: \_\_\_\_\_ Position: \_\_\_\_\_

Please forward your complete application: Veolia Water Projects Limited, PO Box 3920, Swindon, Wiltshire, SN5 1BW
