

**Veolia Water Projects Limited New
Connection Services Charges Scheme
2023/24 Assurance Statement**

The Board of Veolia Water Projects Limited (the "Company") have noted the requirements of Ofwat's Information Notice IN 22/03 Expectations, assurance and information requirements for water company charges for 2023-24, October 2021, and the Charges Rules for New Connection Services issued by the Water Service Regulation Authority, effective from April 2022 with respect to the approval of New Connection Services charges for 2023/24.

Members of the Board have been involved in overseeing the setting of the charges and preparation of the New Connection Services Charges Scheme for 2023/24.

The Company confirms that in preparation of its New Connection Services Charges Scheme:

- (a) the Company has complied with its legal obligations relating to the New Connection Services Charges;
- (b) the Company has appropriate systems and processes in place to make sure that the information contained in the charges scheme is accurate;
- (c) the Board has assured itself that the balance of charges between Developers and other customers is broadly maintained.
