Sign up now and help keep your community green

For £80 a year - that's £1.54 a week - you will get your own large wheeled bin for garden waste. If you feel you do not have space for a large bin, smaller wheeled bins or biodegradable sacks are available, both at £60 a year.

Sign up at wastecollections.haringey.gov.uk or **020 8885 7700**.

We take your food waste to a facility in Hertfordshire to convert into energy

Wednesday Week A

Please ensure bins are available for collection by **6am** on your collection day. Make sure bins are easy to see and ensure we have clear access to them without placing them on the pavement. Our crews will return bins back inside your property boundary once emptied but this might not be in your usual place. This is so the service is not delayed and everyone has a collection. An assisted waste collection service is available for those who need help.

Christmas and New Year Collection Dates

Usual Collection Day	Revised Collection Day	Usual Collection Day	Revised Collection Day
Monday 23rd Dec	No change	Monday 30th Dec	No change
Tuesday 24th Dec	No change	Tuesday 31st Dec	No change
Wednesday 25th Dec	Friday 27th Dec	Wednesday 1st Jan	Thursday 2nd Jan
Thursday 26th Dec	Saturday 28th Dec	Thursday 2nd Jan	Friday 3rd Jan
Friday 27th Dec	Sunday 29th Dec	Friday 3rd Jan	Saturday 4th Jan

Normal collections resume from Monday 6th January.

Quick Questions

What if my collection is missed?

If your collection is missed, please report the next working day or up to 72 hours after collection.

Can I throw my recycling straight in the bin?

No, please empty any contents and wash it first. If your recycling is contaminated with food or other materials, we can't recycle it.

Can I leave large waste items on the pavement?

No, this is classed as dumping waste (fly-tipping). That's a criminal offence and you could be fined at least £400. Book a Bulky Items Collection and ensure items are left for collection within your property boundary and not on the pavement.

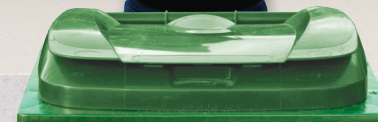

Why recycle?

It protects the environment by saving natural resources and reducing carbon emissions, creates jobs and is cost-effective too.

What happens to my recycling?

We take it to a Materials Recovery Facility (MRF) where it's sorted into different materials. These are reprocessed and turned into new things. Food waste is turned into energy and garden waste is composted so it can be used as a fertiliser by farmers.

Dry Recycling

Please check products and packaging for the recycling symbol before placing items in your recycling bin

For a full A-Z guide on what can and cannot be recycled please visit: www.nlwa.gov.uk/reducereuserecycle/recycle/whatcanwerecole

7 out of 10 properties recycle in Haringey, do you?
