# Home composting made easy

Home composting is an **environmentally friendly** way to dispose of some of your food and garden waste. It's easy to do and **provides nutrient-rich compost** for your flower beds and window boxes.

## What sort of things could you compost at home?

Eggs shells and egg boxes

Raw fruit and vegetable scraps

Tea bags, coffee grounds and coffee filters

Small amounts of garden waste, such as prunings and weeds

Unwanted flowers and house plants

Small amounts of shredded paper

Check out the [Getcomposting.com](http://Getcomposting.com) website for the latest offers on home composting kits and lots more

## How can I buy a compost bin or wormery?

### Home delivery

Home composting kits can be delivered to your home for a cost of just **£5.49**. To arrange a delivery fill out the relevant coupon on the back page and post it to the address shown.

Home composting kits can be ordered by telephone or internet using a debit or credit card. To arrange this contact [Getcomposting.com](http://Getcomposting.com) on 0845 130 6390 or visit: [www.southwark.getcomposting.com](http://www.southwark.getcomposting.com)

All home composting kits will be delivered within 28 days of ordering.

### Collection

You can collect a home compost bin, Can-O-Worms or wooden wormery seven days a week from the **Reuse and Recycling Centre (RRC)** based at 43 Devon Street, off Old Kent Road.

### Opening Times

- 8am until 8pm between: 1 April and 30 September
- 8am until 6pm between: 1 October and 31 March

To make a purchase you must have proof of your address, such as a council tax or utility bill and photo identification such as a driving licence. Please pay using cash only.
